

SNARK HEALTH MAKES NO GUARANTEE OF VALIDITY

The Slack Channels set up by Snark Health are to facilitate discussions and shared learnings to help people have a greater impact at their respective local, state, national level in collaboration with their organizations and governmental agencies. The content is produced from voluntary association of individuals and groups working to develop a framework for the rapid dissemination of information. The structure of the project allows anyone with an Internet connection to contribute content. Please be advised that nothing found here has necessarily been reviewed by people with the expertise required to provide you with complete, accurate or reliable information. Snark Health cannot guarantee the validity of the information found here.

No formal peer review

The Slack Channels are not peer reviewed. While readers may correct errors or engage in casual peer review, they have no legal duty to do so and thus all information read here is without any implied warranty of fitness for any purpose or use whatsoever.

None of the contributors, sponsors, administrators or anyone else connected with Snark Health in any way whatsoever can be responsible for the appearance of any inaccurate or libelous information or for your use of the information contained in or linked from these web pages.

No contract; limited license

Please make sure that you understand that the information provided here is being provided freely, and that no kind of agreement or contract is created between you and the owners or users of this site, the owners of the servers upon which it is housed, the individual contributors, any project administrators, sysops or anyone else who is in any way connected with this project or sister projects subject to your claims against them directly. You are being granted a limited license to copy anything from this site; it does not create or imply any contractual or extracontractual liability on the part of Snark Health or any of its agents, members, organizers or other users.

There is no agreement or understanding between you and Snark Health regarding your use or modification of this information beyond the Creative Commons Attribution-Sharealike 3.0 Unported License (CC-BY-SA) and the GNU Free Documentation License (GFDL); neither is anyone at Snark Health responsible should someone change, edit, modify or remove any information that you may post on these channels or any of its associated projects.

Trademarks

Any of the trademarks, service marks, collective marks, design rights or similar rights that are mentioned, used or cited in these channels are the property of their respective owners. Their use here does not imply that you may use them for any purpose other than for the same or a similar informational use as contemplated by the original authors of these channel posts under the CC-BY-SA and GFDL licensing schemes. Unless otherwise stated Snark Health is neither endorsed by nor affiliated with any of the holders of any such rights and as such Snark Health cannot grant any rights to use any otherwise protected materials. Your use of any such or similar incorporeal property is at your own risk.

Personality rights

These channels may contain material which may portray an identifiable person who is alive or deceased recently. The use of images of living or recently deceased individuals is, in some jurisdictions, restricted by laws pertaining to personality rights, independent from their copyright status. Before using these types of content, please ensure that you have the right to use it under the laws which apply in the circumstances of your intended use. You are solely responsible for ensuring that you do not infringe someone else's personality rights.

Jurisdiction and legality of content

Publication of information found in these Slack Channels may be in violation of the laws of the country or jurisdiction from where you are viewing this information. The database is stored on servers in the United States of America and is maintained in reference to the protections afforded under local and federal law. Laws in your country or jurisdiction may not protect or allow the same kinds of speech or distribution. Snark Health does not encourage the violation of any laws and cannot be responsible for any violations of such laws, should you link to this domain or use, reproduce or republish the information contained herein.

Not professional advice

If you need specific advice (for example, medical, legal, financial or risk management), please seek a professional who is licensed or knowledgeable in that area.

Medical Disclaimer

These channels contain content about medical topics; however, no warranty is made that any of the content is accurate. There is absolutely no assurance that any statement contained or cited touching on medical matters is true, correct, precise, or up-to-date. Such content may be written, in part or in whole, by nonprofessionals. Even if a statement made about medicine is accurate, it may not apply to you or your symptoms.

The medical information provided on the Slack Channels is, at best, of a general nature and cannot substitute for the advice of a medical professional (for instance, a qualified doctor/physician, nurse, pharmacist/chemist, and so on). Snark Health or the associated Slack Channels are not a doctor.

None of the individual contributors, system operators, developers, sponsors of Snark Health nor anyone else connected to Snark Health can take any responsibility for the results or consequences of any attempt to use or adopt any of the information presented on this web site.

Nothing on snarkhealth.com or included as part of any project including Slack Channels, should be construed as an attempt to offer or render a medical opinion or otherwise engage in the practice of medicine.

Use Snark Health Slack Channels at Your Own Risk

Please be aware that any information you may find on these channels may be inaccurate, misleading, dangerous, unethical, addictive or illegal. Remember that anyone can post on information on these channels. Do not rely upon any information found on these channels without independent verification.
